Policy on Photographic or Video Images of Young Players

It is the policy of Essex Redbacks Baseball Club to balance the club need to promote and publicise our club and the participation in our sport by children and young people with their need for privacy and protection. Essex Redbacks Baseball Clubs policy with regard to taking & using photographs or video of children or young people in publications, promotional material or on our web site is as follows;

1. Essex Redbacks Baseball Club will designate Official photographers or Video makers to take photographs or video only for the purposes of club promotion or publicity.
2. It is the right of any Parent or Guardian to object to photographs or video being taken of their child. Where this is the case the Parent or Guardian should advise the club through either the Club Chairman or Youth Officer.
3. Where Essex Redbacks Baseball Club use images of a child or young person in any print or electronic medium, the child will not be named
4. Where a child or young person is named, a photograph or video image of the child will not be used
5. Anyone other than the official photographer or Video maker who is intending to take photographs or video for their own use at a Essex Redbacks Baseball match, tournament or event must register their details with the event organiser or club secretary.
6. Any questions about this policy should be referred to the Club Chairman.
